

EU - Declaration of Conformity

ODT Marketing GmbH of Römerstraße 8/8, 5081 Anif / Salzburg, Austria herewith declares, that the Product:

CUBEOLO, pinewood balance cube

has been designed and manufactured solely by ODT Marketing GmbH in accordance with the following EC directives:

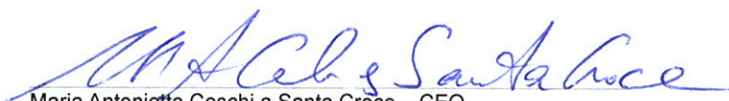

- DIRECTIVE 2014/30/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 26 February 2014 on the harmonisation of the laws of the Member States relating to electromagnetic compatibility, issued in the Official Journal of the European Communities on the 29 March 2014;
- DIRECTIVE 2011/65/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment, issued in the Official Journal of the European Communities on the 01 June 2011.

The following harmonized standards have been applied:

- **EN61000-6-3:2007 + A1: 2011:** Electromagnetic compatibility (EMC) - Emission standard for residential, commercial and light-industrial environments;
- **EN61000-6-2:2005:** Electromagnetic compatibility (EMC) - Immunity for industrial environments.

The relevant technical documentation is available at ODT Marketing GmbH. Installation and operation manuals for the customers are provided with the product.
